

Jaipur Laboratory, INDIA

Jaipur

From the airport, come to the Tonk road towards Sitapura. After going 2 km you see a fly over. Go straight after the fly over you will reach the first junction (Gaushala) cross it and go straight. Then cross the second junction (Haldi Ghati Marg) and go Straight, then third junction is (Kumbha Marg). Cross it and go straight. After half a km, you reach India gate. Take the left turn and enter the RICCO industrial area Sitapura when you reach the first small round junction. Then take the right turn towards GIT junction. Then go straight till IIGJ, Nissenken situated in the opposite side of Institute.
